

Program Profile

Program name	Wellbeing Support Program
Location/s	Doomadgee
Client group	Individuals impacted by Domestic and Family Violence (DFV) and Sexual Assault aged 12+
Internal stakeholders	Team Leader, Family Support Workers
External stakeholders	Local Service Providers
Program or project description	The Wellbeing Support Program is committed to offering compassionate, trauma-informed, and sustainable care for individuals impacted by Domestic and Family Violence (DFV) and Sexual Assault. In partnership with the specialist Victim Support team, the wellbeing team will ensure that, following the resolution of immediate safety concerns, victim-survivors are provided with appropriate and continuous care.
Additional information	Through strengthened partnerships with key stakeholders across the Mount Isa region, the program seeks to cultivate safe and nurturing environments where individuals can access meaningful support, practical assistance, and low-cost activities that foster empowerment, resilience, and sustainable recovery.
