About 54 reasons

54 reasons is Australia's leading child rights organisation, proudly part of the Save the Children Australia Group and global movement. We're here to make sure that everyone understands their rights. So that children and young people have their rights met and thrive, in all their diversity.

We champion the children, young people and families we work with. We are inspired by the curiosity and creativity of children, and motivated by the love of those who care for them. With the child's voice at the centre, we provide quality services to children and their caregivers, advocating with them so that children develop, learn, and are connected, safe and confident.

Our people are proudly local, and as diverse as the communities we serve - in every state and territory, and across regions, remote areas and capital cities. Our operations and services span the early years and school engagement, youth justice, domestic and family violence and family support, and our practice is grounded in child rights and participation.

From our 54 reasons Practice Framework to our culture where you will feel valued, belong and make a difference for children, 54 reasons is truly a place you will **learn and grow**.
