

# Program Profile

<b>Program or project name</b>	Youth Justice
<b>Location/s</b>	Kununurra, WA
<b>Client group</b>	Young people aged 10 to 18 years
<b>Internal stakeholders</b>	Regional Manager, Senior Practitioner, Youth Specialist
<b>External stakeholders</b>	Department of Justice, Hope Community Services
<b>Program or project description</b>	<p>The program supports highly at-risk young people identified and referred by the Department of Justice in Kununurra and Wyndham.</p> <p>Save the Children’s Youth Justice staff deliver strengths-based youth mentoring and case management who have offended or at risk of re-offending. They work with these young people to address the underlying social and environment issues that lead to crime.</p> <p>Program areas include:</p> <ul style="list-style-type: none"> <li>• Crimogenic Rehabilitation</li> <li>• Emotional Wellbeing</li> <li>• Education, Training and Employment</li> <li>• Life Skills, Health and Development</li> <li>• Bail accommodation</li> </ul> <p>The Youth Bail Accommodation service, delivered in partnership with Hope Community Services, is also available for young people from across the East Kimberley region.</p> <p>Intensive mentoring, cultural activities and support to access programs are provided with the aim to reduce offending behaviour though increasing the young person’s safety, positive connection with community, life skills and pathways to education.</p>
